

provided products (tools, test equipment, packaging, materials, etc.)

A) provided products

The current blanket order includes also the supply of products and/or tools by ZKW Zizala Lichtsysteme GmbH.

The owner of these provided products is and remains unchanged ZKW Zizala Lichtsysteme GmbH; the use and utilization is only allowed for settlement of ZKW-orders.

It is forbidden to sale these products or pass them away to a third party.

The products and tools have to be marked in such a way that the ownership of ZKW Zizala Lichtsysteme GmbH is identified and the identification marking remains undetachably, separate stocking has to be given converted (storage area is devoted for ZKW). The distributor has to ensure that the storage is without negative interference to the intended utilization.

Hereby a lending contract is constituted which authorise the distributor to storages and to occupancy of the current stock until further notice. In the case of bankruptcy the release from the bankrupt's estate is established and has to be done.

B) transfer of raw material (abandoning)

Point A) holds analogously for the supply of material and raw material. The material will be disposed specific to the orders and keeps in the belongings and ownership of ZKW Zizala Lichtsysteme GmbH up to the delivery of the finished goods.

C) obligation for insurance

With the beginning of the supply of products or with the disposal of the tools and materials to your production location the distributor has the obligation to insure these parts according to their value.
